PUBBLICAZIONI ONLINE

35. C. MANETTA, Analisi e studio di 152 pavimenti, Roma, *Regiones XI, Circus Maximus* (21 pavimenti), e *XII, Piscina Publica* (152 pavimenti), nell’ambito del progetto Corpus Mosaici di Roma (CMR) e della banca dati TESS(<http://tess.beniculturali.unipd.it/web/home/>). Lo studio che presuppone una profonda conoscenza della topografia di Roma, si basa su una critica analisi contestuale (storia degli scavi e delle ricerche sulla base ricostruita sulla base di fonti archeologiche e archivistico-antiquarie), formale e stilistico-decorativa dei rivestimenti pavimentali (editi e inediti), del loro contesto edilizio (ambiente, edificio), topografico (località, area, regione) e storico (dinamiche insediative dell’area nell’antichità e in epoca moderna sulla base anche della cartografia storica). La pubblicazione dei risultati dello studio dei singoli contesti è in open access e disponibile, nello specifico, ai links: [Regio XI – Circus Maximus < Tess \(unipd.it\)](#); [Regio XII – Piscina Publica < Tess \(unipd.it\)](#).
